

Os Installation

The image is a composite of two photographs of a desktop computer system. On the left, a black tower unit is shown with a DVD drive, a CD-ROM drive, and an orange property label that reads "Property of Education Dekalb Co. Board of Education HIGH RISK Decatur, GA 0083308". On the right, a black monitor is shown with various cables connected to its back, including a blue Ethernet cable and a black power cable. A black mouse is visible on the wooden desk to the right of the monitor. A white, shield-shaped text box with a dotted border is centered over the image, containing the text "Put The 2 USBs In".

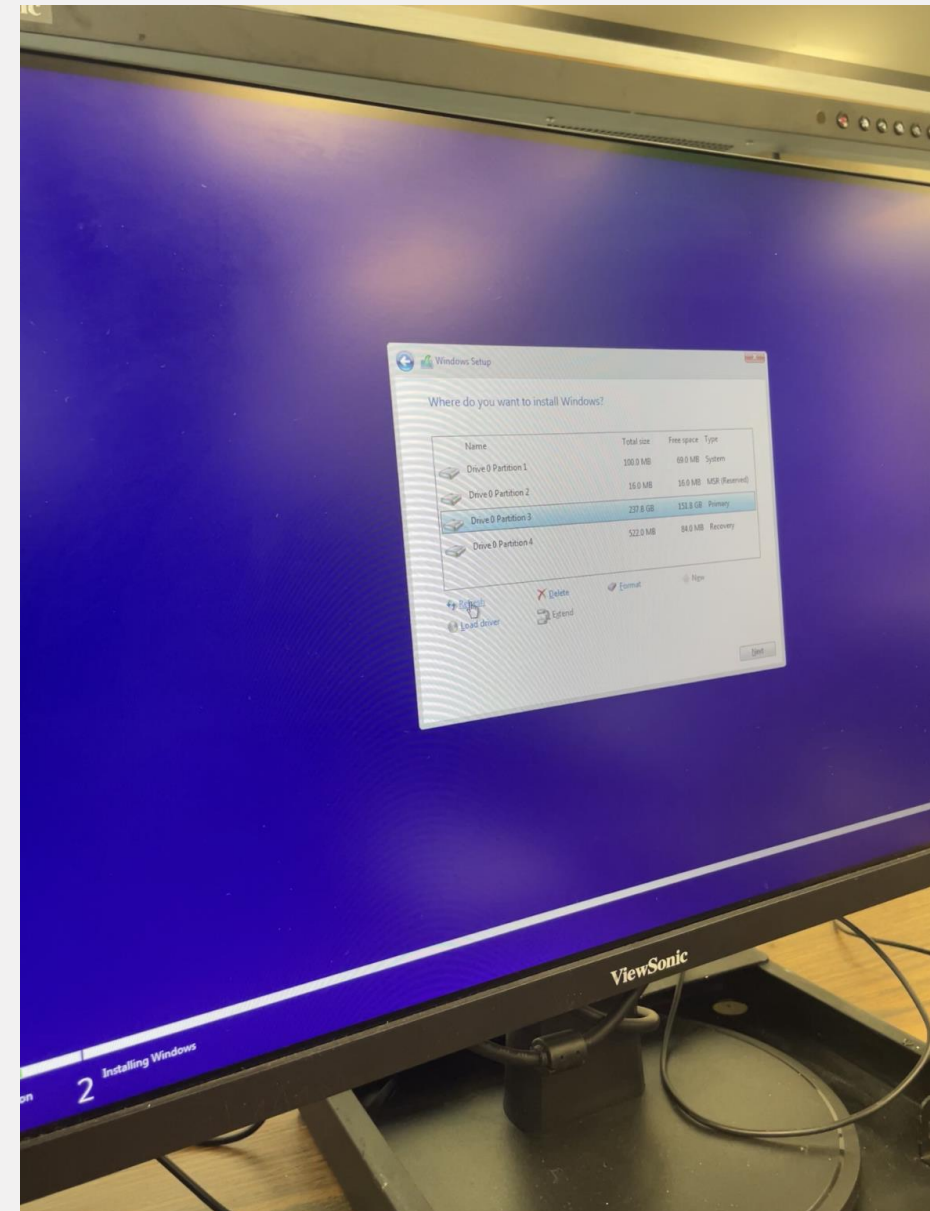

Put The 2  
USBs In

This Should  
Appear

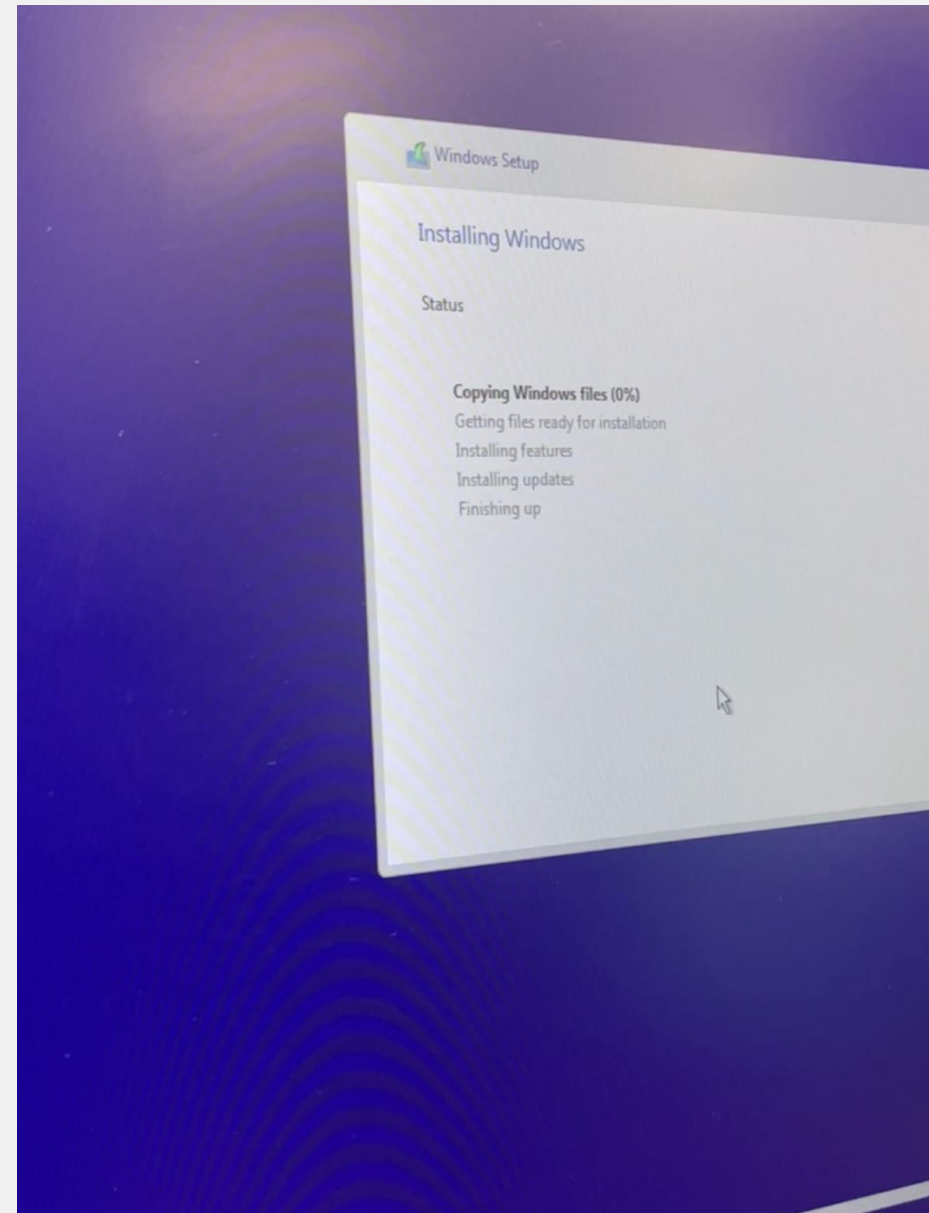

Delete All files  
except the  
biggest one  
from the USB
