Getting updates

This may take a few minutes.

Checking for updates: 2%

Choose privacy settings for your device

Microsoft puts you in control of your privacy. Choose your settings, then select 'Accept' to save them. You can change these settings at any time.

Location

Get location-based experiences like directions and weather. Let Windows and apps request your location and allow Microsoft to use your location data to improve location services.

Yes

Inking & typing

Send optional inking and typing diagnostic data to Microsoft to improve the language recognition and suggestion capabilities of apps and services running on Windows.

Yes

Advertising ID

Apps can use advertising ID to provide more personalized advertising in accordance with the privacy policy of the app provider.

Yes

Diagnostic data

Send info about the websites you browse and how you use apps and features, plus additional info about device health, device activity, and enhanced error reporting. Required diagnostic data will always be included when you choose to send Optional diagnostic data.

Send Required and Optional diagnostic data

Tailored experiences

Let Microsoft use your diagnostic data, excluding information about websites you browse, to offer you personalized tips, ads, and recommendations to enhance your Microsoft experiences.

Yes

Select 'Learn more' for info on the above settings, how Microsoft Defender SmartScreen works, and the related data transfers and uses.

File Explorer window showing the contents of a USB Drive (D:).
